CASH AUDIT

J. W. GRIFFITH, PUBLIC ACCOUNTANT

ACCOUNTING AUDITING SYSTEMATIZING

August 27, 1948

Board of Directors,
Housing Authority City of Caldwell,
Caldwell, Idaho.

Gentlemen:

Pursuant to engagement, I hand you, herewith, Report of my examination and detailed Audit of all known receipts and deposits, covering a period on Cleveland Heights Project from January 1, 1948 to July 31, 1948, incl., and Canyon Hill Project from June 30, 1948 to July 31, 1948, incl.

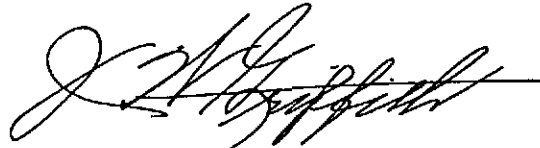

Yours truly,

Public Accountant

C-E-R-T-I-F-I-C-A-T-E

I hereby certify I have made a detailed Cash Audit and examination of the Receipts and Deposits of the above-named Projects, and that from the records available, in my opinion, the following Schedules are a true and accurate record of the cash transactions and reflect a shortage of funds as stated in the analysis of Cash Receipts and Deposits.

Public Accountant

C-O-M-M-E-N-T-S

Due to the fact that books of both Projects were not written up for the periods covered and the Daily Reports were not accurate, it was necessary to schedule all receipts from the originals during the entire period under review.

During the course of this examination, it was found that six separate Receipt Books and Register tickets had been used during the period. No effort was made to use the books in consecutive order and, in a large number of instances, collections did not appear on Daily Reports. As an illustration, the month of March, 1948, Daily Reports total \$2666.96. An analysis of actual signed Receipts reveals a total of \$3243.23 or a deviation of \$576.27. The same condition was proven to exist during the succeeding months examined.

On July 7, 1948, Bank Deposits in Cleveland Heights Administration Fund, in the Idaho First National Bank of Caldwell, Idaho, were discontinued and all funds stemming from that source were deposited, together with funds from the Canyon Hill Project, in an account in the Idaho First National Bank of Caldwell, Idaho, designated as "Canyon Hill Administrative Fund". As at June 30, 1948, the books of the Canyon Hill Project, #V10161, were audited by a representative of the Audit Division of P.H.A. and accepted by them and by the Housing Authority of the City of Caldwell.

Due to the fact that Administrative Funds were combined during the month of July, 1948, it was necessary to include in this Audit both Receipts and Deposits of the Canyon Hill Project for the month of July, 1948, in order to arrive at a correct analysis of the cash operations.

Cash on Hand was counted at 9:00 A.M., August 25, 1948, and consisted of \$100.00 change, all Receipts having been deposited prior to that time. Reconciliation was made back to July 31, 1948 at which time it is apparent that \$107.00 was on hand stemming from collections made after banking hours and attributable to the month of July, 1948. This amount is included in bank deposit of August 2, 1948 and credit given to the period under audit.

During the course of this investigation, other checks not deposited were discovered, which should have been deposited, in the amounts of \$153.00 and \$118.90 which had been received at various times and are attributable to the period under audit and credit has been given on these items. All of the above-named funds were derived from Cleveland Heights Administrative Fund.

Petty Cash Fund: Cash and vouchers were counted August 25, 1948 and found to consist of Cash and Vouchers in the amount of \$50.00.
