Dear Sir:

We submit the following bid for overhauling the engine on one 1950 Chevrolet $\frac{1}{2}$ ton Pickup.

Rings, gaskets and oil and labor to install rings, grind and reseal valves, clean carbon, adjust rod bearings, clean plugs and tune engine: \$44.90

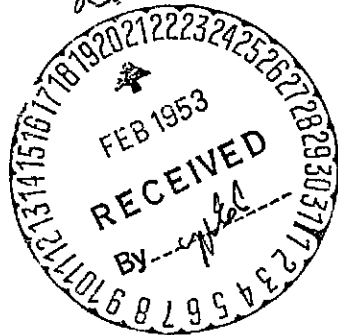

The engine is smoking quite badly and if replacement of any valve guides is necessary we will charge 63¢ for each one that is replaced. This will include both the price of the new guide and the labor to install it and this will be in addition to the above price of \$44.90.

Very truly yours,

H. M. Johnson
