Mr. James “Jim” Porter was appointed the housing authority board in 2015 and currently serves in an at-large position.

He has lived in the Pacific Northwest his entire life but has called Caldwell his home for the last 18 years.

Paster Jim Porter presides over the Caldwell Free Methodist Church. Previously, Jim was the General Manager of Shutterburg Camera Stores located in 18 different locations throughout Oregon.

Jim is both committed to and involved in the community. He serves as a Commissioner on the Caldwell Urban Renewal District and is the president of the Harmony Park Board of Directors. He also serves on the Love Caldwell, Inc, and the Caldwell Friends of the Depot Board, in addition to his participation on the Caldwell Housing Authority Board.

Jim enjoys being involved with the groups he associates with and spends much of his spare time attending Caldwell City Council meetings. He enjoys walking throughout Caldwell and walks frequently to the Downtown Plaza and to the Flying among other downtown locations. Jim loves the mission of the Caldwell Housing Authority and hopes to bring the need for affordable housing to the forefront of everyone’s mind.
